

CONTRACTS

The following contracts are recommended for approval.

| <u>DEPARTMENT</u> | <u>Effective Date</u> | <u>VENDOR NAME</u> | <u>COST & FUNDING</u> | <u>PURPOSE</u> |
|-------------------|----------------------------|------------------------|---|---|
| Curriculum | 4/13/17 Thru 6/30/17 | YMCA of the East Bay | \$21,105 Title I Federal Restricted | Increase existing \$45,000 contract to provide a case manager / group facilitator to work directly with newly immigrated students at Richmond High School. RHS has experienced an influx of students who have come to the city of San Pablo and Richmond from various places. Many of them are monolingual Spanish speaking and have experienced high levels of trauma in their place of origin. There is currently an ELD class that students are placed in in an effort to eventually streamline them into regular courses. The needs of these students vary but at the very least have proven to be very high due to the level of trauma that many of them have experienced and the need for additional supports to adjust to their new school and community environment. The new case manager/group facilitator will provide in classroom support, proves groups and case management services to newcomers at RHS. Support and interventions provided will be culturally competent and trauma informed. Identified students will participate in an evidence based curriculum and restorative justice practices. The group facilitator will be a part of a team providing trauma-informed, positive discipline and practices. The Specialist will work closely with the district staff at designated schools and under the supervision of the Richmond High School Community Schools Coordinator/Health Center Director. |
