

# Collaborative Intervention Model

Riverside Elementary  
California Gold Ribbon Award

# What is a gold ribbon school?

- The California Department of Education created the Gold Ribbon Schools Award to recognize outstanding programs and practices in elementary and secondary schools in California. In 2016 thirteen elementary schools in our district were recognized by the CDE for exemplary programs. Each school had to identify a model program or practice being implemented at their school.

# Multi-Tiered Systems of Support (MTSS) Model

- At Riverside Elementary we designed and implemented a dual approach to better meet the needs of our Tier 1, Tier 2, and Tier 3 students to address the academic and social emotional needs towards the goal of being college and career ready.

# Who is on our team?

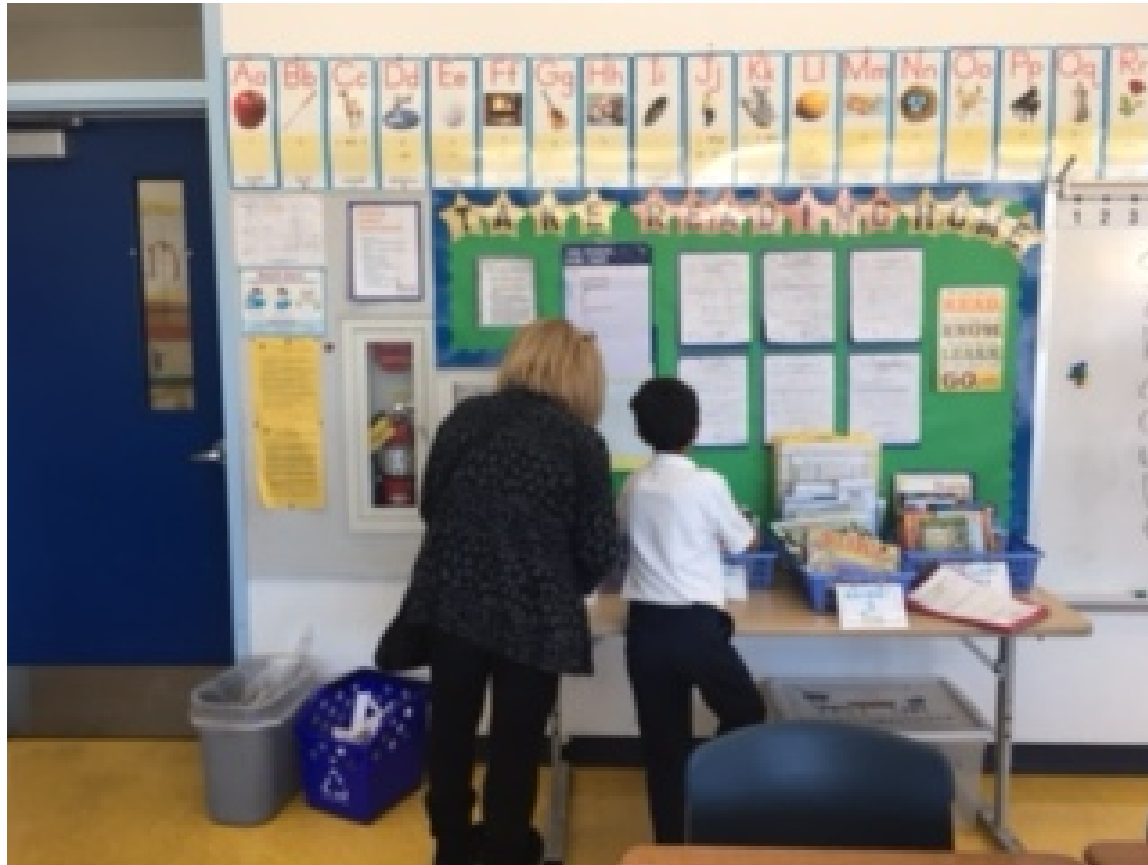

- Learning center teacher
- Special Education teacher
- Mental Health Counselor
- Speech/Language pathologist
- School psychologist
- Occupational therapist
- Classroom teachers
- Administrators
- Parents

# What data is reviewed by our team?

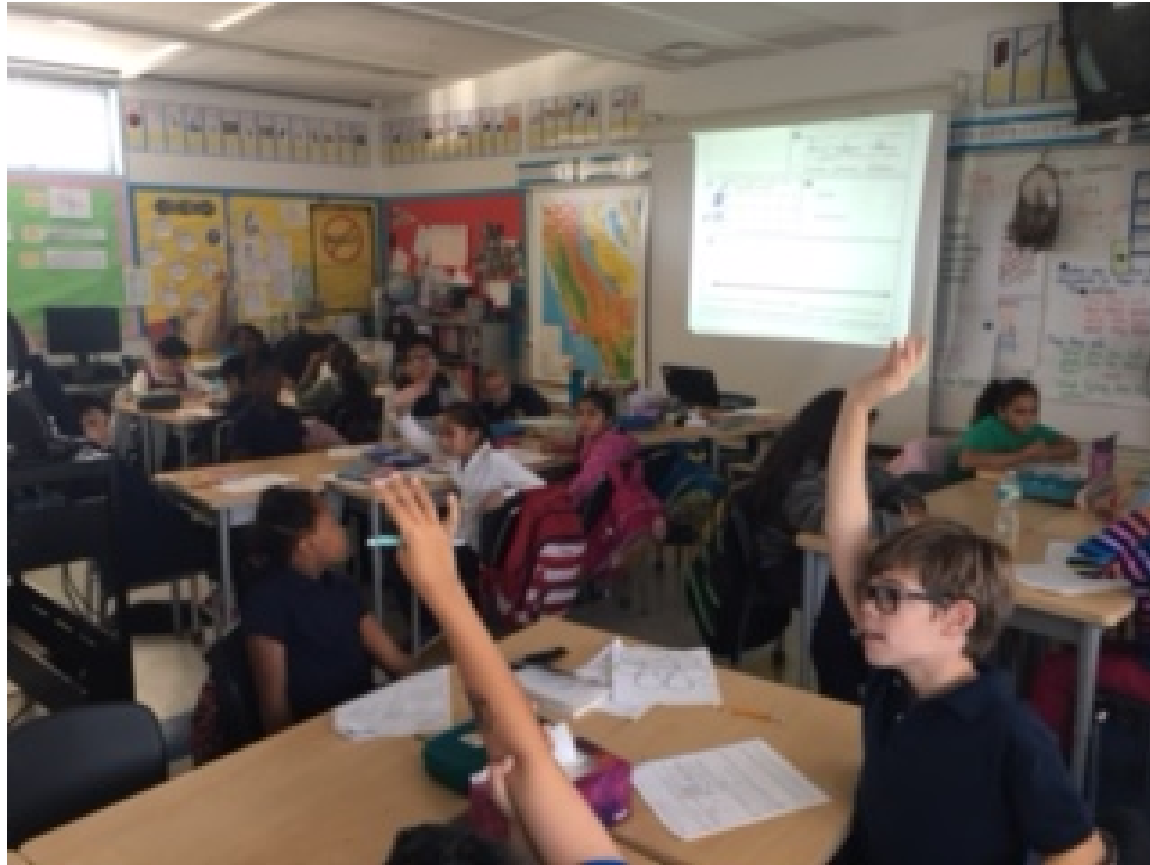

- STAR reading
- BPST
- SBAC
- CELDT
- District benchmarks
- Program-embedded assessments (e.g. TCWP on-demand assessments)
- Discipline/Referral data

What does MTSS  
look like at  
Riverside?

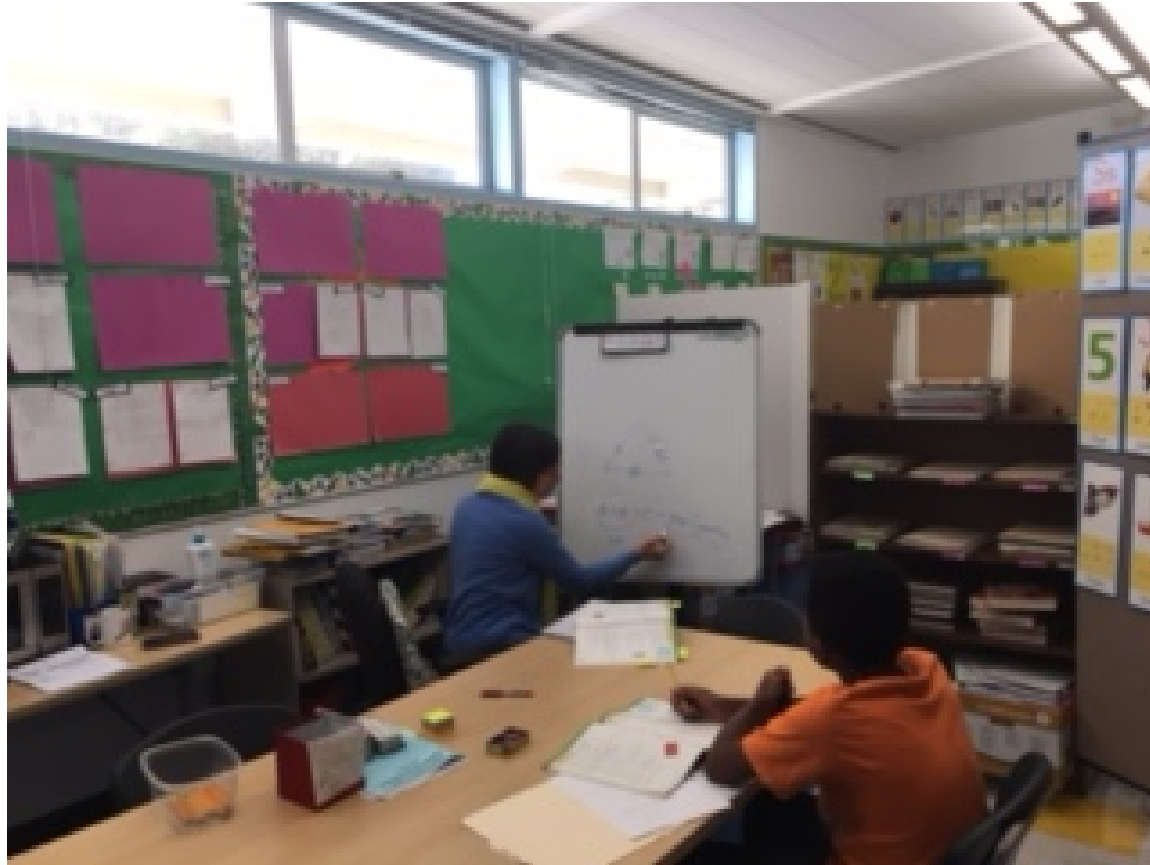

**Riverside has shifted the paradigm of practice to meet the academic needs as well as the social/emotional and behavioral needs of the students.**

**Students who have needs greater than those met with the Tier 1 curriculum as identified by ongoing assessment receive support through Tier 2 interventions.**

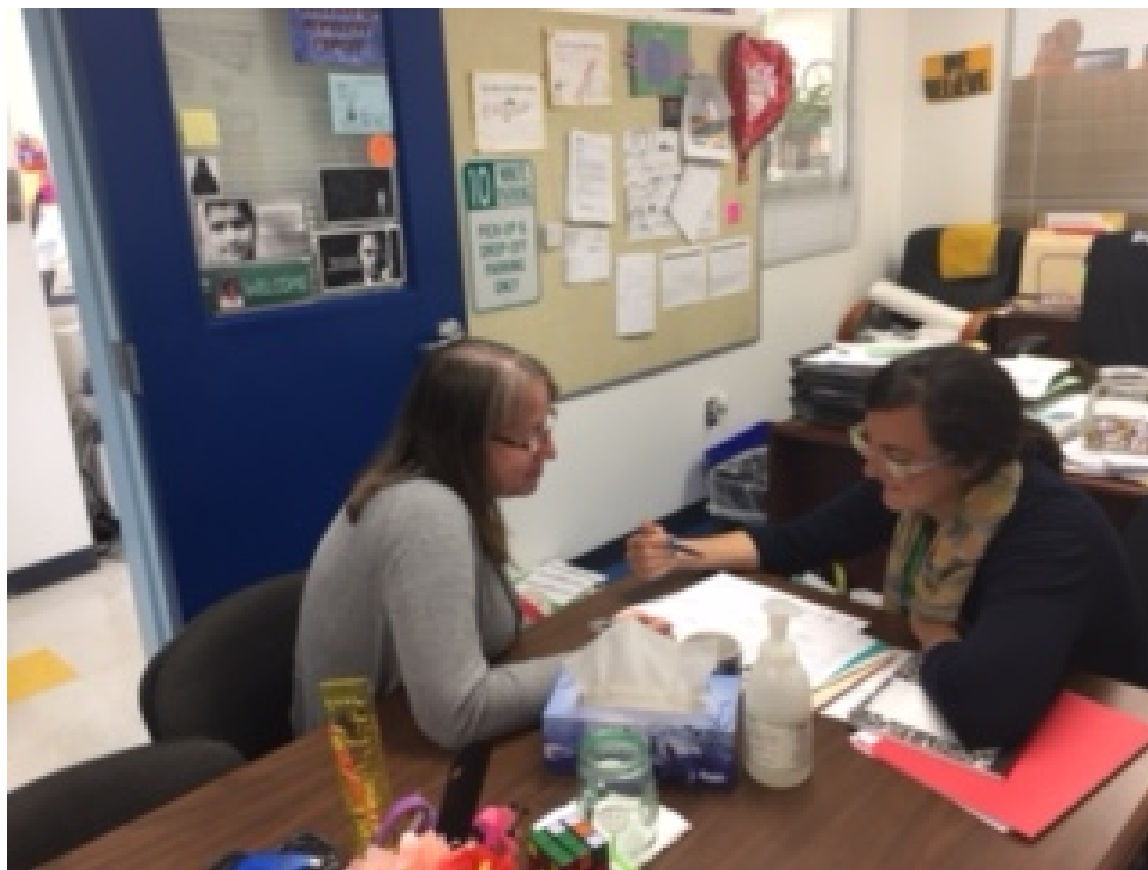

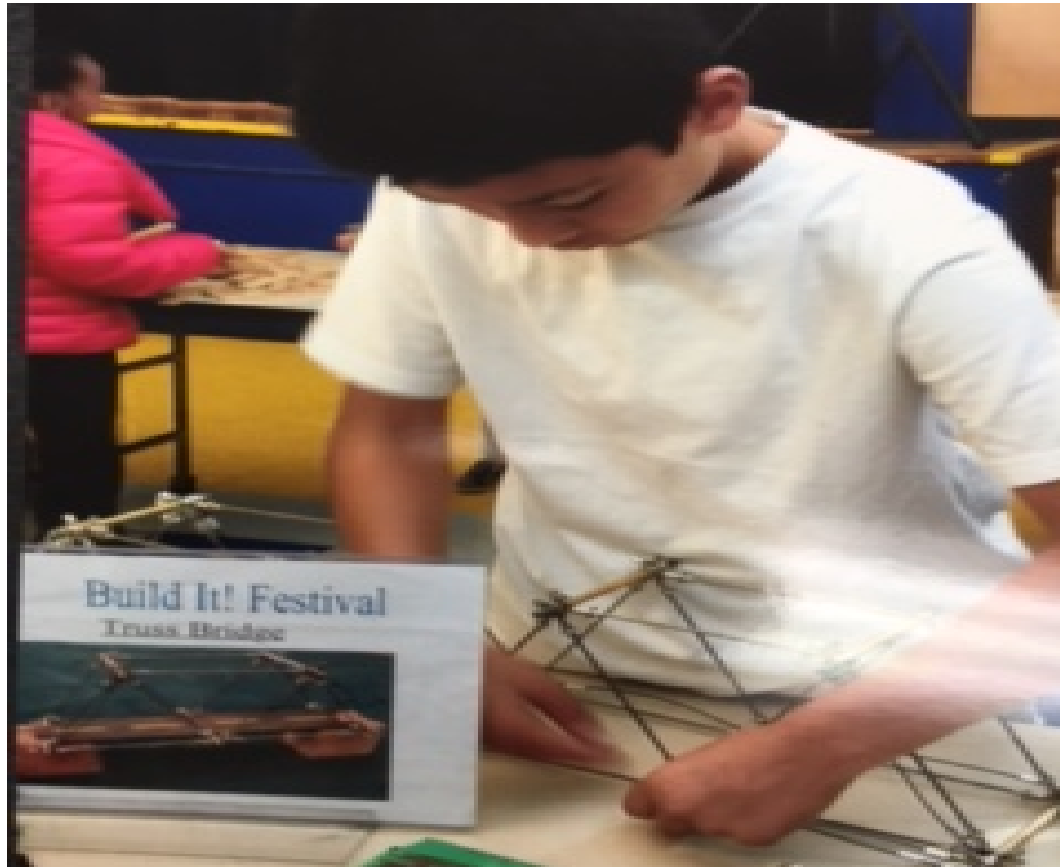

**Grad Tutors/Instructional Assistants provide both push in and small group intervention for struggling students.**

**For students that continue to struggle academically and behaviorally there are Tier 3 interventions.**

**The Coordination of Services Team (COST) meets weekly.**

**Our Multi-Tiered Systems of Support model has been instrumental to teachers and staff being able to provide our students with a learning experience that allows for success!**
